## PRESS RELEASE | Partnership with PAOK TV

We proudly announce the official partnership with **PAOK TV**, for the protection of **PAOK F.C.** home games' live broadcasting.

It is a great honor for **mediastalker™** to be trusted by the current Champions of Greece, on this great and unique project, in order to protect their valuable copyrighted content.

.....

**PAOK TV** is the web TV-platform of **PAOK F.C.**, developed to perform as the exclusive e-channel for **PAOK** supporters. This season 2019-2020, **PAOK F.C.** is managing its broadcasting copyrights itself and decided to own broadcast the club's home games via **PAOK TV** on a subscription model basis.

**mediastalker™** is the piracy-antidote. It is an AI/ML powered virtual agent developed to protect the intellectual property of digital content on the internet on behalf of creators and copyright owners. It protects media portfolios, live events and broadcasts, restoring back their lost value.
