PRESS RELEASE | Partnership with ROSEBUD.21

We proudly announce the new partnership between **mediastalker™** and **Rosebud.21**, for the protection of their movie portfolio.

This new partnership is our scheduled landing on the **filming distribution industry**, a long-suffering area of the entertainment business.

It is a great challenge for **mediastalker™** to serve this fantastic company and put his strong effort on the protection of the quality cinema.

.....

Rosebud.21 has more than 25 years overall experience and passion for the good films. Rosebud.21 travels the world on all the important film markets aiming to acquire movies that stand out as wants to be established as a boutique art distribution company.

mediastalker™ is the piracy-antidote. It is an AI/ML powered virtual agent developed to protect the intellectual property of digital content on the internet on behalf of creators and copyright owners. It protects media portfolios, live events and broadcasts, restoring back their lost value.
