PRESS RELEASE | Partnership with Solidsport

We are thrilled to announce the expansion of our partnership in the Nordics with **SOLIDSPORT**, for the copyright protection of their extensive live sports content.

It is an honor that our technology has been tested and trusted to safeguard such a significant media portfolio in the Scandinavian region.

Another milestone achieved for us at **Mediastalker**, further validating the value we bring to our partners' media portfolios by applying our AI technology, unique operational model, and unparalleled service experience.

.....

Solidsport is amongst Europe's leading sports streaming platforms, collaborating with the majority of the entities involved to sports. Solidsport's dynamic ecosystem directly contributes to the success and sustainability of sports broadcasters, earning trust and recognition from partners across the sports community.

Mediastalker™ is an AI/ML-powered virtual cybersecurity agent developed to protect the intellectual property of digital content on the internet, and online privacy and to support online betting/casino and Sports Integrity industries.
